

### Laleham C of E Primary School Mini Tennis Club (Run By Tennis Focus)

Places are now available now online for the Spring Terms School Tennis Club. The programme will be run by Tennis Focus Academy, which is headed up by LTA Senior Performance Licensed Coach, Steve Savage.

The school mini tennis club is a good way of introducing children to the enjoyment of tennis. Your child will learn the skills associated with tennis, using short rackets and sponge balls. This could be the first step to your son or daughter becoming the next Andy Murray or Serena Williams!

Your child will develop movement, co-ordination and ball skills, while being introduced to the game, which provides so much fun as well as exercise! The coaches will also be talent spotting to invite top players to come along to our high performance programme outside of school.

- All coaches are LTA / PTR qualified & insured.
- All equipment is provided.
- Children must wear a P.E kit during the lesson
