

# *School Improvement Plan Priorities 2019-20*

- ❑ To ensure all our **assessment, marking and feedback** systems enable close tracking of pupil progress and the raising of standards in core subjects
- ❑ To empower pupils to compose and edit their writing to become **confident, creative writers**, especially middle attainers
- ❑ To enable all pupils to develop early on a strong and secure foundation of **knowledge of number bonds and times tables**
- ❑ To continue to **build leadership of the curriculum** across the school to enable children to deepen their learning and reach the highest standards in subjects
