

Protective Measures Risk Assessment

This assessment runs alongside the Government guidance

Please find attached a COVID-19 risk assessment template for mainstream schools that has been prepared in response to the Government's guidance for full opening. The measures set out in this risk assessment provide a framework for school leaders to put in place proportionate protective measures for pupils and staff for September 2020. The Governing Body/Trust Board must take ownership of the risk assessment and have oversight of the principles behind its contents.

This tool may be useful as you undertake planning around a range of 'protective measures' for the Autumn Term and is entirely optional. Some sections will be more or less applicable, depending on your phase and context, and please feel free to change, adapt and supplement with additional detail as necessary.

School Leaders should share their risk assessment with the school workforce and should consider publishing it on their website to provide transparency of approach to parents, carers and pupils.

Schools should also review and update their wider premises, staff and pupil risk assessments and consider the need for relevant revised controls in respect of their conventional risk profile considering the implications of coronavirus (COVID-19).

It should be used alongside the government guidance below:

<https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/guidance-for-full-opening-schools>

<https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance>

<https://www.gov.uk/government/publications/coronavirus-covid-19-implementing-protective-measures-in-education-and-childcare-settings/coronavirus-covid-19-implementing-protective-measures-in-education-and-childcare-settings>

<https://www.hse.gov.uk/coronavirus/assets/docs/risk-assessment.pdf>

The following school policies (but not limited to) should also be reviewed and updated as required:

- Behaviour Policy
- Safeguarding & Child Protection Policy
- Health and Safety Policy
- Infection Control Policy
- First Aid Policy

Protective Measures Risk Assessment

		<ul style="list-style-type: none"> Any medication given to ease the unwell individual's symptoms, e.g. paracetamol, is administered in accordance with the First Aid and Supporting Medical Needs Policy Spillages of bodily fluids, e.g. respiratory and nasal discharges, are cleaned up immediately in line with the Infection Control Policy and <u>Cleaning in non-healthcare settings</u> guidance 	<p>Pastoral team are aware of all new guidance.</p> <p>PS is aware of guidance and school policy</p>	<p>SB, AS</p> <p>HT/SBM</p>	Briefed by SBM in July 2020	
Prevention		<ul style="list-style-type: none"> The School will ensure that pupils clean their hands regularly, including when they arrive at school, when they return from breaks, when they change rooms and before and after eating. Supervision of hand sanitiser use will take place due to risk around ingestion. Younger pupils and pupils with complex needs will continue to be helped to clean their hands properly. The school will build hand washing routines into school culture, supported by behaviour expectations set out in the school Behaviour Policy. 	<p>Yes</p> <p>Yes</p> <p>Yes- built into the curriculum</p> <p>Yes</p>	<p>Class teachers</p> <p>Class teachers</p> <p>Everyone Policies reflect this. COVID agreement circulated to staff and parents. Expectations made clear to</p>	Ongoing from Mar 20	<p>L</p> <p>L</p> <p>L</p> <p>L</p>

Protective Measures Risk Assessment

		<ul style="list-style-type: none"> Pupils arriving at school wearing a face covering are instructed not to touch the front of their face covering during use or when removing them. They immediately wash their hands on arrival, dispose of temporary face coverings in a covered bin or place reusable face coverings in a plastic bag they take home with them, and then wash their hands again before heading to their classroom. Guidance on safe working in education, childcare and children’s social care provides more advice. (Current advice – could be subject to change) Sufficient handwashing facilities are available. Where a sink is not nearby, provide hand sanitisers in classrooms and other learning environments. 	Yes New hand sanitisers bought	<p>children on reopening (Sep 20/Mar 21)</p> <p>Communicated in the reopening letter to parents (shared with parents Feb 21)</p> <p>Communicated in a cleaning review meeting 13th July with ongoing review by SBM</p> <p>Sufficient supplies bought Autumn 1</p>		L
Prevention 3.Good respiratory hygiene		<ul style="list-style-type: none"> ‘Catch it, bin it, kill it’ approach continues to be very important, suitable number of tissues and bins available in the school to support pupils and staff to follow this routine. Younger pupils and those with complex needs are helped to follow this. 	Yes Reinforced through precise teaching. Posters	Everyone SLT – monitoring	Ongoing Reinforced in September. Re-communicated to parents before	All L

Protective Measures Risk Assessment

		<ul style="list-style-type: none"> •Risk assessments to identify pupils with complex needs who struggle to maintain good respiratory hygiene, for example those who spit uncontrollably or use saliva as a sensory stimulant. 	displayed around the school Written into our COVID and behaviour policy		and after Summer Holiday Reinforced Feb 21. New COVID agreement (3 rd copy) in place	
Prevention 4.Enhanced cleaning		<ul style="list-style-type: none"> •Surfaces that pupils are touching, such as toys, books, desks, chairs, doors, sinks, toilets, light switches, bannisters are cleaned more regularly than normal; •Soft furnishings, soft toys and toys that are hard to clean (such as those with intricate parts) are removed. •Different groups/ “Bubbles” do not need allocated toilet blocks, but toilets will be cleaned regularly, and pupils encouraged to clean their hands thoroughly after using the toilet. •The COVID-19: cleaning of non-healthcare settings guidance is followed. •Outdoor playground equipment should be cleaned more frequently. This includes resources used inside and outside by wrap around care providers as set out in the School Lettings Policy/Contract. •Spillages of bodily fluids, e.g. respiratory and nasal discharges, are cleaned up immediately in line with the Infection Control Policy and Cleaning in non-healthcare settings guidance 	<p>Cleaning these items are part of Lalehams cleaning routine.</p> <p>Removed by CT's</p> <p>The school has allocated toilets</p> <p>Cleaning team have implemented this guidance.</p> <p>N/a</p> <p>Our cleaning team adhere to all our COVID policies</p>	PS and SBM (and PW from Mar 21)	HT met with the cleaning periodically. Review of cleaning May 20, July 20, Nov 20 and Feb 21.	All - L

Protective Measures Risk Assessment

		<ul style="list-style-type: none"> •Cleaners are employed by the school to carry out daily, thorough cleaning that follows national guidance and is compliant with the COSHH Policy and the Health and Safety Policy. •The SBM arranges enhanced cleaning to be undertaken where required – advice about enhanced cleaning protocols is sought from the local health team. Schools short of cleaning product supplies, should email DfE-CovidEnquiries.COMMERCIAL@education.gov.uk •The SBM monitors the cleaning standards of school cleaning contractors and discusses any additional measures required with regards to managing the spread of coronavirus. 	<p>As above</p> <p>The SBM has arranged enhanced cleaning.</p> <p>From Sept 2020 , the SBM will monitor cleaning and have fortnightly reviews with the agency and school cleaning team.</p>			
Prevention 5.Minimise contact		<ul style="list-style-type: none"> •The number of contacts between pupils and staff is reduced. This is achieved through keeping groups separate (in 'Bubbles') and through maintaining distance between individuals. The balance between the Bubbles and social distancing is based on: <ul style="list-style-type: none"> o Pupils ability to distance; o The layout of the school site; o The feasibility of keeping distinct groups separate 	<p>Bubbles arranged in bubbles of 60 for EYFS, 5 & 6. Bubbles of 30 for other year groups. Bubbles to be maintained wherever</p>	HT/SLT/All staff	18 th May	L- M

Protective Measures Risk Assessment

	<p>while offering a broad curriculum More information on groups can be found in COVID-19: Guidance for full opening</p> <ul style="list-style-type: none"> •If staff or pupils cannot maintain distancing, particularly with younger pupils, the risk is reduced by keeping pupils in smaller class sized groups. •Staff should only move between bubbles when absolutely necessary. Where staff need to move between classes and year groups, where possible they should try and keep their distance from pupils and other staff as much as they can, ideally 2 metres from other adults. •Adults to avoid close face to face contact and minimise time spent within 1 metre of anyone. •Pupils old enough should be supported to maintain distance and not touch staff and their peers. •Classrooms and other learning environments are organised to maintain space between seats and desks where possible. •Pupils are seated side by side and facing forwards, rather than face to face or side on. <p>Hot lunches offered in Nov 20– staggered classes siting in</p>	<p>possible and avoid viral spread/load across more than one Bubble.</p> <p>Entry direct to classroom where possible to avoid cross over contact See FAQs to parents for staggered times</p> <p>Classrooms will support forward facing rows</p>	<p>CTs</p>	<p>18th May implemented. Under constant review.</p> <p>Implemented end of July. Ongoing in line with new guidance Feb 21</p>	<p>L</p> <p>L</p> <p>L</p> <p>L</p> <p>L</p>
